# LESLI C. MYERS-SMALL, ED.D.

---

ASSISTANT COMMISSIONER OF INNOVATION AND SCHOOL REFORM, NEW YORK STATE EDUCATION DEPARTMENT

New York State Assistant Commissioner of Education Dr. Lesli C. Myers-Small has dedicated her life to the development and implementation of high quality education.

Dr. Myers-Small received her bachelor's degree in psychology and her master's degree in counseling and human development, both from the University of Rochester. She continued her educational journey by earning a second master's degree in Urban Educational Administration and her Doctor of Education in Executive Leadership from Saint John Fisher College.

Throughout her career, Dr. Myers-Small has made a tremendous impact on the field of education. She was the first African American President of the New York State School Counselor Association. She also testified before the United States Congress. It was her testimony, in part, that resulted in a spending bill for Fiscal Year 2008 that included the largest increase (77.5 percent) ever to the Elementary and Secondary School Counseling Program.

Dr. Myers-Small has received many prestigious honors that reflect her dedication to education and the community, including the Breakthru Magazine Empowering Award, NYS Women of Distinction Award, Rochester Business Journal 40 Under 40, Saint John Fisher Distinguished Alumni Award, Urban League of Rochester Educator Award, Western New York School Counselors Consortium Lifetime Achievement Award and the inaugural William Clark Urban League award. Additionally, she was named a 2016 Athena Award finalist.

Being an esteemed writer throughout her tenure in the field of education, her work has been published in journals, articles and books. Dr. Myers-Small made her debut as a book author in 2018, with the publication of "Life's Leadership Lessons." The book is a collection of reflections, stories and experiences that are applicable to all areas of personal and professional leadership.

Dr. Myers-Small has designed and conducted workshops and presentations to elementary and secondary students, undergraduate and graduate students, varied educators and many others at the local, regional and national levels. She presented at the 2017 TedxROCHESTER event.

Her style is humorous, straightforward and sincere, and she encourages people of all ages and backgrounds to creatively use their abilities and talents to serve others.

Dr. Myers-Small is passionate about her professional work and volunteerism and looks forward to several years of continued service in education.

## KAPPA DELTA PI HONOR SOCIETY

Candace Demers  
Hannah Mae Snyder  
Kasandra L. Young

## Undergraduate Honors

Highest Honors - Bachelor of Science	Grade point average – 3.95 to 4.00
High Honors - Bachelor of Science	Grade point average – 3.85 to 3.94

Honors computed March 1, 2020

# ACADEMIC REGALIA

---

The caps and hoods worn at college and university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm. Today, their function is ceremonial.

The gowns for the bachelor's degree, earned after undergraduate study, have a long, pleated front and intricate shirring across the shoulders and back. The bachelor's gown is distinguished by its long, pointed sleeves.

Gowns for the master's degree, earned by post-graduate work, are similar to the gowns for the bachelor's degree, but the very long sleeve is square and closed at the end.

Gowns for the doctor's degree are distinguished by velvet bars on the full, round, open sleeves and broad velvet panels down the front and around the neck. This velvet trimming may either be black or the color distinctive of the field of learning to which the degree pertains.

Caps may be of serge, broadcloth, or (for the doctor's outfit only) velvet. The tassel of the doctor's cap is usually of gold bullion.

It is the hood that gives the color and real meaning of the academic costume. A black shell, of varying sizes for the three degrees and of material to match the gown, is silk lined with the color or colors of the institution conferring the degree. The hood is bordered with velvet of the proper width to indicate the degree. The color of the velvet signifies the field of learning to which the degree pertains.

The colors indicative of the various fields of learning are as follows:

Arts & Humanities.....	White	Medicine.....	Green
Business.....	Olive Drab	Music.....	Pink
Communication.....	Crimson	Nursing.....	Apricot
Economics.....	Copper	Philosophy.....	Dark Blue
Education.....	Light Blue	Physical Education.....	Sage Green
Engineering.....	Orange	Psychology.....	Antique Gold
Fine Arts.....	Brown	Science.....	Yellow
Laws.....	Purple	Social Work.....	Citron
Library Science.....	Lemon	Theology.....	Scarlet

Undergraduates in the Nursing R.N. to B.S. Program, the Pathway to Teaching Program, the Organizational Management Program, and the B.S. in Health Administration Program receiving academic honors are identified as follows:

Highest Honors.....	one gold cord	High Honors.....	one red cord
---------------------	---------------	------------------	--------------

## ALMA MATER

### Verse 1

For over a full century all glorious and grand,  
Our Alma Mater now has stood - an honor to our land;  
Amidst her fields of waving grain, her fruit trees loaded down,  
She stands a noble monument of glory and renown.

### Refrain

Then to Roberts Wesleyan College, we render our best praise,  
To our fair school of learning, our glad voices we now raise;  
In this land of light and knowledge with which we all are blest,  
'Midst so many Alma Maters, our dear Roberts is the best!

### Verse 2

And so for Roberts firm and strong, with loyalty we stand,  
A host of zealous students, from all parts of our fair land;  
With energy and deeds of right and every skill we know,  
We'll work for her; we'll pray for her, that she may always grow.

---

### Supporting the Students of Roberts Wesleyan College

We at Roberts Wesleyan College are grateful for the generous contributions made by friends, parents, and alumni, as well as local and national foundations and corporations. Gifts and grants to the College support student scholarships. Every gift, no matter the size, is vital to enhancing Roberts' commitment to excellence in scholarship, spiritual formation, and service. For information on making a gift, please contact the Advancement Office at 585.594.6500, or visit our College website at [www.roberts.edu](http://www.roberts.edu) and click on Giving. Thank you!

## **THE MACE AND THE PRESIDENTIAL MEDALLION**

The College Mace and Presidential Medallion were created by Willard (Bud) Peterson, Roberts Wesleyan College Associate Professor of Art from 1983 to 1997.

The College Mace represents the investment of authority of Roberts Wesleyan College. The head of the Mace represents the cross of Jesus Christ and is made of sterling silver connected by pieces of cherry wood taken from trees on the campus. Set in the cross is an open book, representing the truth of the Holy Scriptures and the foundation of knowledge.

Within the open book is a single, large white stone representing the Lord Jesus Christ, surrounded by twelve red stones that represent the twelve disciples as Christians redeemed by His blood. These stones are set in gold denoting the work of God in the lives of His servants. The setting is made in the pattern of a cathedral rose window representing the Church and its history.

The whole head of the Mace is defined by a circular surrounding plate of silver which represents the world in which Roberts Wesleyan College is placed. This is mounted on a cherry wood handle, the top of which suggests the form of a dove (the Holy Spirit) with the College seal inlaid in silver at the front.

The Presidential Medallion is an interpretation of the official College Seal. The sterling silver medallion is worn by the College President at academic ceremonies including Convocation and Commencement.

## **THE PULPIT**

The antique pulpit is a donation from the Albion Free Methodist Church, the first in the Free Methodist denomination. Dedicated as part of the church building on May 18, 1860, the pulpit has been in use since the earliest days of our founder, the Rev. B.T. Roberts, and his colleagues in Free Methodist ministry. The pulpit has been used for the Inauguration of President Deana L. Porterfield, and for each Commencement as a symbol of our rich heritage and commitment to the ideals of B.T. Roberts.

## **THE ARCH**

The original Arch was a gift of the Chesbrough Seminary Class of 1926. It stood south of Roberts Memorial Hall, near Buffalo Road, over the sidewalk that led into campus. The Arch was taken down in 1965 when the new sanctuary of Pearce Memorial Church was constructed. In 1974, portions of the original were used to rebuild the Arch, which was placed near the southwest corner of Roberts Hall. It stood over the sidewalk that led from campus to the entry of Pearce Church. Again it was taken down, in 2001, when the church classrooms were added and the driveway was redesigned. Today the College Arch stands between Miner Hall and the B. Thomas Golisano Library, and contains masonry work from the previous arches, with a new base to match the stone work of the Library. The replica used for the Commencement ceremony was created in 2016 by Roberts Wesleyan College Staff member Jim Price (CLC Technical Director, 1996-2017) for the 150th Historical Display. It is used during Freshman Orientation to symbolize the students' entrance to our community, and again at Commencement as our graduates go forth to impact our world.
