FEDERAL DIRECT STUDENT LOAN PROGRAM

Federal financial aid at the graduate level consists only of federal loans which are offered by the U.S. Department of Education. Equal loan disbursements are made directly to the school at the beginning of each semester.

-Direct Unsubsidized Loan. Graduate students who are enrolled at least half time are eligible for an unsubsidized loan, up to a maximum loan amount of \$20,500 per academic year. Direct Loans are subject to maximum total debt limitations. For the 2017-2018 academic year, unsubsidized loans for graduate students have a fixed interest rate of 5.31% and an origination fee of 1.069 (Subject to change after 10/1/17) which will be deducted from the loan before each disbursement.

-Grad PLUS Loan. To help students who need additional loan funds after the Federal Direct Student loans have been maximized, a Grad PLUS loan is made available by the U.S. Department of Education. This loan is credit-qualifying and cannot exceed the budgeted cost of attendance minus financial aid already awarded per academic year. Apply for the GRAD PLUS loan at www.studentloans.ed.gov.

OTHER TYPES OF AID AVAILABLE

Roberts Wesleyan College Alumni Discount

Graduates from Roberts Wesleyan College's Division of Nursing Traditional or RN-BS Completion Program receive a 10% discount off of their Master of Science in Nursing program cost (awarded per semester).

Employee Reimbursement

Many hospitals and health care facilities offer tuition reimbursement for their employees enrolled in college educational programs. Prospective students should contact the personnel offices at their places of employment for information about tuition reimbursement.

Most employer reimbursement programs send the money directly to the student upon completion of each module or term. Billing is completed at the beginning of each term with payment (in full) due before the module begins. If you intend to use reimbursement as payment for your program, have a plan in place to cover the first 2 modules before the reimbursement program begins.

IMPORTANT FINANCIAL FOOTNOTES:

- A statement will be issued by the Office of Student Accounts prior to the beginning of each term listing all the modules within that term. Only the modules in the session are considered due and payable.
- Subsequent statements may be requested from the Student Accounts Office at any time.
- If loans are obtained, refunds in excess of the term's cost will be generated after the start of the semester.
- Payments in cash or check (*payable to Roberts Wesleyan College*) are accepted at the Cashier's Office (*limited hours*) or electronic check (*e-check*) payments can be made online through QuikPay, our online payment system. www.roberts.edu/payment
- The tuition charge must be paid in full prior to the beginning of each module. Failure to pay will result in a financial hold being placed on the student's account, preventing registration for further classes and the ability to receive a transcript or diploma.
- In the event an account balance is assigned to an agency for collection, the student will be responsible for all related collection costs and fees.
