

ROBERTS

WESLEYAN UNIVERSITY

May 19, 2023

Dear Medaille Student,

In the words of Nelson Mandela, “Education is the most powerful weapon which you can use to change the world.” Your educational path may have been interrupted but we are ready to help you to keep on track to graduate with the degree you've been working toward.

Roberts has been named a Teach-Out partner to help Medaille students with admissions, academics, residential life and student services – support from our Teach-Out team that will be tailored to your needs. Whether you are an incoming first year student (freshman) who has never attended college, a current student at Medaille living on-campus or a working adult completing their degree, or a graduate student, we are here to help you to create a plan to continue your education at Roberts.

Here are three key promises from Roberts:

1. We will work to match your current out of pocket costs at Medaille. This means **it will not cost you more to earn your degree at Roberts Wesleyan University** than you paid at Medaille.
2. We will transfer as many of your credits as possible to help you **graduate on time**.
3. We will provide special housing consideration for your ability to live on-campus, and where possible, **maintain your roommate of choice**.

We know it is an overwhelming time and you have many questions. We have set up a website just for Medaille students at roberts.edu/roberts-welcomes-medaille-students. Your first point of contact to start the process will be Kristen Nielsen, Executive Director of Undergraduate Admissions. You can reach Kristen at the contact information below:

Email: nielsen_kristen@roberts.edu
Phone: 585-594-6562 or text her at 585-902-2917

You can set up a personalized visit to tour the campus and meet with a counselor by calling Kristen.

Our entire team looks forward to hearing from you and welcoming you to Roberts!

Warmly,

Kimberley A Wiedefeld
Vice President for Enrollment Management
