

# Health History Form

## About Roberts Wesleyan University's Wellness Services

The Wellness Center provides comprehensive health and wellness services to RWU students, including health services, counseling services, wellness education and prevention programming. The Wellness Center is committed to providing quality, compassionate, and equitable care that is individualized to students' needs. We emphasize self-responsibility and encourage students to take an active role in maintaining their health and wellbeing.

## HEALTH HISTORY FORM & IMMUNIZATION REQUIREMENTS MUST BE SUBMITTED BY THE FOLLOWING DATES:

**Fall Semester - July 1st**  
**Spring Semester - December 15th**

\*Failure to submit this required information by these dates can result in a hold being placed on your account and prevents clearance for residence and class attendance

## VACCINATION REQUIREMENTS

**New York State Public Health Law 2165** mandates ALL students enrolled at institutions of higher education ARE REQUIRED to provide evidence of vaccination against measles, mumps, and rubella, if born on or after January 1, 1957. For more information about MMR requirements please visit [https://www.health.ny.gov/prevention/immunization/schools/toolkit/sample\\_nys\\_phl\\_section\\_2165\\_imm\\_requirements.pdf](https://www.health.ny.gov/prevention/immunization/schools/toolkit/sample_nys_phl_section_2165_imm_requirements.pdf)

**New York State Public Health Law 2167** mandates ALL students, regardless of age, to provide proof of meningococcal vaccine (dated within 5 years) or a signed declination statement. For more information about meningitis vaccination requirements please visit [https://www.health.ny.gov/prevention/immunization/meningococcal/info\\_college\\_student\\_health\\_services.htm](https://www.health.ny.gov/prevention/immunization/meningococcal/info_college_student_health_services.htm) and <https://www.health.ny.gov/publications/2168/> for information about meningococcal disease.

Per New York State Public Health Laws, no institution should permit any student to attend the institution in excess of 30 days without complying.
