Special Events and Weather Related Emergencies

Notice via email will be given when it is necessary to move your vehicle from a particular lot due to weather or a special event on campus. Vehicle owners are expected to be alert to these notices and required to move their cars immediately or within the time frame requested. Failure to do so may subject the owner to a fine and a possible towing of the vehicle at the owner's expense.

Enforcement and Penalties

- Campus Security will issue tickets to violators of campus regulations
- After 10 days, any unpaid fines will be doubled
- Grades and transcripts will be withheld from any students with unpaid fines
- The fine is marked on the ticket. Payments may be made at the Campus Safety Office (VAC 270), online or at the Cashier’s Office (Rinker, First Floor), during regular office hours (9am-3pm)
- Questions concerning parking violations and tickets should be directed to the Office of Campus Security
- Persistent student violators will be subject to additional disciplinary action including the revocation of vehicle parking privileges
