

Higher Education...

Understanding the future of higher education
and the role of business!

Go Ahead, Ask Our Experts!

We leverage the experience of Greater Rochester Chamber of Commerce member company executives to focus on specific business-related topics in this interactive roundtable series.

Chamber Business Rounds is a conversation, not a presentation, where you control the questions and our panel of expert executives provide the answers and insight. In this session focused on higher education, interact with the featured panelists to discuss the future of higher education and the role of business.
