

## Economic Impact

Independent Higher Education is a powerful economic engine in New York, and Roberts contributes significantly on the west side of Rochester.

**830**  
total employment  
(direct & spillover)

**\$114,400,000**  
impact on the local economy

Roberts provides over  
**\$14.5 million**  
in student scholarships  
and grants

**98%**  
of students  
receive financial aid

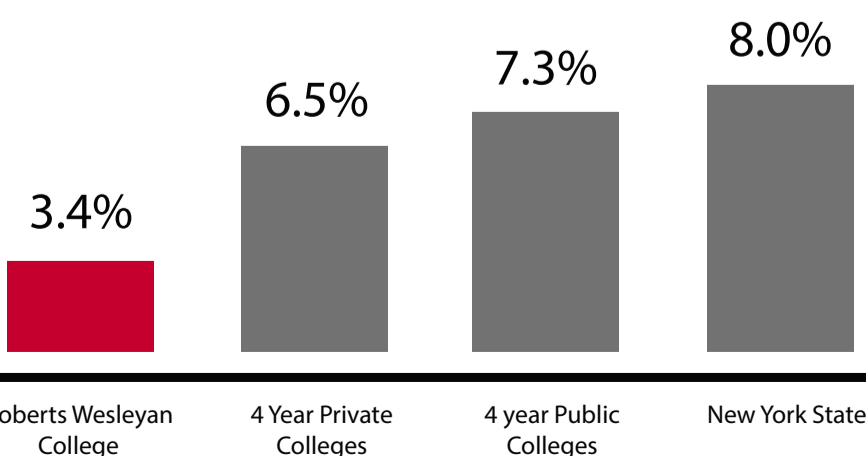

## Student Support

Roberts cares so much about affordability that nearly every student is offered financial aid from the institution, and 100% of those who file a FAFSA receive financial aid. We pride ourselves in preparing women and men for what's next, with 92% of employed grads working in jobs within their field of study.

**49%**  
of students received TAP  
in the 2016-2017 academic year

**3.4%**  
student loan  
default rate
