* Tuition rates shown are for the current academic year. Rates are subject to change without notice based on semester.

** The "Total Estimated Cost" may not be the same as the final required payment by the individual student. Required payment amounts are based on several individual factors—including, for example, one's state and federal aid or specific program requirements.

*** The "Off-Campus Enrichment Scholarship" replaces all institutional aid for the semester a student is studying abroad. In most cases, State & Federal Aid and all non-RWC scholarships are still applicable. In cases where the semester abroad is required for the program, additional institutional aid may be awarded.

****Personal expenses do NOT appear on the student bill and are not covered by financial aid. These are additional estimates for out-of-pocket expenses that students should anticipate as part of a study abroad and travel experience.
