

PATHWAY TO TEACHING, B.S.

LEARN TO *Live*

SET YOURSELF UP FOR SUCCESS

Are you ready to follow your calling? This flexible in-person program makes it possible to become a certified teacher while balancing work, family, and life.

Start with just 60 college credits. (If you have less than 60, we'll work with you to make it happen).

Get real classroom experience through fieldwork and student teaching. Learn from experienced educators who will mentor and support you.

Earn a Bachelor of Science in Education, leading to one of the following initial certifications:

- Childhood Education 1-6 and Students with Disabilities All Grades (dual certification)
- Adolescence Education (7-12) in a particular content area and Students with Disabilities All Grades (dual certification)
- Students with Disabilities All Grades Generalist

HIGHLIGHTS

- Expand your career opportunities by earning dual certification in General and Special Education
- Our students consistently exceed NYS Teacher Certification exam pass rates
- Get support through the entire certification process, including prep sessions
- You can work in schools and get paid while you study through the Teacher Immersion Fellowship
- Build skills in literacy, curriculum planning, assessment, differentiation, cultural awareness, and classroom management

- **21** months
- **48** (childhood), **60** (adolescence) credits
- **\$598** cost per credit (+fees)
- **In-person** format
 - 1 night per week
- **Start** in August & March

ACCREDITATION

- **Regional:** AAQEP
- **Professional:** International Assembly for Collegiate Business Education

CAREER OUTLOOK

- Teachers are in high demand across all grade levels
- Our graduates land jobs in public, private, and charter schools
- Many go on to become classroom, special education, or consultant teachers
