

FAMILY NURSE PRACTITIONER, M.S.

LEARN TO *Live*

EXPAND YOUR PRACTICE. CARE FOR EVERY STAGE OF LIFE.

Boost your earning potential and build on your nursing experience, and prepare to provide primary care for patients of all ages. Designed for working R.N.s with a bachelor's degree, this program prepares you for FNP licensure and certification.

With flexible online courses and one hands-on week on campus, you'll strengthen your skills in diagnostics, nursing science, and leadership while preparing to serve patients in a variety of healthcare settings, so you can step confidently into your future as an FNP.

HIGHLIGHTS

- Learn 1 course at a time online, graduating in 3 years
- 1 week on campus for an in-person lab
- Receive exceptional support from staff and faculty, ensuring your success
- 600 hours of *Clinical Practice Experience* during clinical courses
- Solve a real problem in your capstone project
