STUDENT SPOTLIGHT

Caleb Choate '21 (Philosophy and Theology) earned a job as the Assistant Director of Youth Ministries at Pittsford Community Church shortly after graduating. He was then promoted to the Director of Young Adult Ministry.

Later, as God has led him to work in higher education, the skills and knowledge he gained in this program have continued to help him faithfully use his gifts within the framework of God's mission to the world.

He says, "*As a young person discerning the call to vocational ministry, Roberts Wesleyan University was*

the clear choice for me from the get-go. I learned how to conduct in-depth exegesis to rightly handle the Word of Truth. I recommend Roberts, not only to anyone discerning their call to ministry but to anyone who wants to seek God in all things. The Gospel touches all aspects of the Roberts experience and invites students to consider how to make the Kingdom of God which Christ proclaimed tangible today."
