# SCHOOL/CLINICAL PSYCHOLOGY, PSY.D

## THINK DEEPLY & CRITICALLY
## SERVE WITH PURPOSE

Prepare to make a difference in clinical, educational, and community settings. This five-year program prepares you to pursue licensure as a clinical psychologist and certification as a school psychologist.

Through a practitioner-scholar approach, you'll connect scientific knowledge with compassionate, evidence-informed practice while gaining experience serving people across the lifespan.

### HIGHLIGHTS

- Multiple paid internship opportunities & diverse field placements
- 100% employment within one year of graduation
- Gain clinical experience at Westside Psychological Services, *our community-based training clinic*
- Develop expertise in complex psychological assessment, including assessment of autism spectrum disorder
- Practicum experience in schools, hospitals, mental health clinics, forensic settings, VA settings, and more
- Gain hands-on clinical, research, and field experience with dedicated support from faculty and peers.
- Receive dedicated support as you identify and prepare for fieldwork opportunities
